

Michael Brown

Email: mbrown@example.com | Phone: +1 444 987 2211

Location: Austin, USA

Summary

AI Researcher focused on LLMs, deep learning, and evaluation techniques with a strong publication record.

Core Skills

- Deep Learning, Transformers
- NLP, LLM Fine-Tuning
- Python, PyTorch
- Research Writing & Experimentation

Experience

AI Research Associate — Quantum Labs (2021–Present)

- Conducted experiments on transformer-based architectures.
- Published 3 papers in peer-reviewed journals.
- Evaluated LLM responses using structured benchmarks.

Education

PhD (In Progress) — Artificial Intelligence, UT Austin
